

## INVITATION TO WEST AUSTRALIAN FENCERS – INTERNATIONAL FOIL CAMP

### PERTH

**APRIL SCHOOL HOLIDAYS, 11 -20 APRIL 2017 (DATES TO BE CONFIRMED)**

I am very pleased to announce that I have confirmed world class fencer **Martino Minuto** former 2x World Junior Champion to lead a foil camp in Perth. We have a unique opportunity to host a high-level international Foilist in Perth which will bring expertise and new insight into the bigger picture of international fencing.

The camp will be split into a Junior development camp taking place during the day and a high level Seniors camp in the early evening. Although the Juniors are welcome to train with the Seniors and vice versa depending on working/study commitments.

U15/Cadets - The camp is designed to provide the best possible preparation for fencers competing in the National Under 15/Cadets in Perth this year. Fencers will experience intensive immersion in fencing, learning specific techniques and strategies in numerous bouts. It is important that fencers reach peak readiness in time for the nationals.

#### **MINUTO MARTINO**

Martino was born in Monza, Italy and began fencing at age five. After rising through the ranks in the Italian Junior divisions, it culminated in him winning the Junior World Championships in 2007 and 2008. In the coming years, he was invited to join the Turkish Senior National team. "They had initially contacted me in 2007 due to my performances at the U20 World Championships. I had no direct ties to the country but the federation was able to get me a passport on sporting merit."

Over the past ten years, Minuto has been on the senior fencing circuit culminating in an 11<sup>th</sup> place finish at last year's European Championships as well as many other successful results.

In 2013 Minuto was invited to compete in the Australian Open Foil Championship. Minuto won GOLD at the Australian Nationals!

***Martino's experience and knowledge of the sport is second to none, so this is an opportunity that we, as the Western Australian fencing community need to take advantage of.***
